Geneva, 17 August 2007

### **Cotecna awarded an Explosives Trace Detection (ETD) contract at Geneva Airport**

Cosec, the Cotecna department specialized in Supply Chain Security, has been awarded a contract with International Consultants on Targeted Security (ICTS), a leading provider of aviation security services throughout the world. This contract includes providing Explosive Trace Detection (ETD) support services to ICTS staff that carry out ETD screening on Cargo leaving Geneva Airport for various destinations worldwide.

The contract that started on August 1<sup>st</sup>, 2007, includes training, maintenance, stock monitoring and hotline services. Cotecna provides training to ICTS personnel on how to search for explosives and how to use the hand held technology. Training also includes specific instruction for supervisors and regular refresher courses.
